# Equal Opportunities

## Monitoring of Job Applicants

The London Borough of Havering is striving towards equality of opportunity in its employment practices and selection procedures. An Equality and Diversity Policy has been approved and is outlined below for you to retain if you so wish. To help us to find out how far we are succeeding in providing equal access to jobs in the Borough, we need the information detailed below. You are, therefore, requested to complete the monitoring information and return it with your application.

## Equal Opportunities Policy Statement

As a major employer, the Council is taking positive steps to eliminate discrimination, and to redress imbalances, in order to provide genuine equality of opportunity at all levels within the organisation.

The Council aims to treat all employees with dignity and respect and provide a working environment free from discrimination and harassment.

Every possible step will be taken to ensure that employees and job applicants are treated equally and fairly and that decisions on recruitment, selection, training and promotion are based on agreed criteria. In particular, no applicant or employee will be placed at a disadvantage by requirements or conditions which are not necessary to the performance of the job, or which constitute indirect unfair discrimination.

The Council believes that it is in the Authority's interests and those who work for it to be committed to the use, development and retention of the full range of skills and talents of its employees, and will work to provide an employment environment in which everyone has the opportunity to contribute and develop.

Employees will be involved in the regular reviewing and monitoring of the Equality and Diversity Policy to ensure its relevance and effectiveness.
