

Autumn re-sits 2020 *important*

If you are unhappy with your summer 2020 exam results, you will be able to re-sit them in the Autumn exam season. Written exams take place during October and November 2020.

The attached 're-sit' form must be completed and emailed to the Examinations Officer by 3pm on Monday 14th September 2020. Any forms received after this date will not be processed and an entry will not be made. Forms have been emailed to all Year 11's and a Group call text sent to all parents/carers.

Please note that students who did not achieve a grade 4 and above in GCSE English and Mathematics and who are continuing to study these subjects at sixth form school or college, you will not be able to re-sit in the Autumn term with Emerson Park Academy but you will take your re-sits at your new school/college.

Please direct any enquires regarding exams to Mrs Whiting, Examinations Officer
