Head Teacher: Mr S McGuinness

COVID-19 Testing Volunteers

We are looking for volunteers to join our COVID-19 Testing Team. The successful individuals will enable the school to roll out the Government's Rapid Testing Programme within our school.

The role involves handing out and securing COVID-19 test kits to students and staff members. Other duties may be required such as building test kits, cleaning down areas and directing people.

The successful volunteers:

- Must have experience working with members of the public or young people
- Have good interpersonal skills and a supportive nature
- Have commitment to the work and adhere to the strict guidelines and procedures required
- Must be over 18 and in general good health with no symptoms of COVID-19, nor must anyone in your household.
- Must not be classified, or live with anyone classified, as belonging to any of the COVID-19 high-risk groups (more detail can be found [here](#)).
- Must undergo an enhanced DBS and barred list check
- Attend training which will be provided online as part of this national programme.

Due to the nature of the role, volunteers:

- Must not have a long-term condition
- Must not be pregnant
- Must not have immune deficiencies through medical conditions or therapy

Next steps

Expressions of interest should be sent to info@emersonparkacademy.org together with a completed 'Volunteer Declaration form' attached.

If you have any specific questions prior to an application, please contact info@emersonparkacademy.org

We look forward to receiving your application.

Interviews: Shortlisting will take place the week beginning 18th January 2021. Virtual interviews will be held shortly after this.
