

Champion Support Network

Real parents, real problems, discovering real solutions, together.

Difficult Conversations

***Are you tired of having the same conversations with your young person?
Do you feel at a loss of what to say in some situations?***

This fortnightly zoom session is a time for parents and carers of young people aged 11-24 to get together and thrash out a topic. We get to hear from others perspective so we can feel more confident the next time we have to have a 'conversation'.

Wednesday's (Fortnightly) 7.30pm

- 3 November - Knife Crime
- 17 November - Parenting and culture is there a conflict?
- 1 December - TBC
- 15 December - Change is a good thing, right?
