RESULTS DAY 2024

Provisional results to be collected by the student*.

Date: Thursday 22nd August 2024
Time: 9:30am to 10am
Location: School Foyer

Please arrive on time to collect your results. If you are late, you will miss being able to get your results.

Please be aware of the date and time that your College/Sixth Form School require you to provide them with your provisional results.

*If you are unable to collect your results in person, you can nominate somebody to collect them on your behalf. You must advise us in writing, by Friday 5th July 2024, if you want to nominate someone. We will need to know their name and their relationship to you. They will need to bring ID (driving licence etc.) on the day and sign for your results slip.

NB: Certificates will be produced by Awarding Bodies once all post results enquiries have been completed. This will be around December 2024.
