

Dear Parent/Carers

**London Borough of Havering Parent/Carer & Learner Apprenticeship, T Level and Support Internship Event**

**Tuesday 10<sup>th</sup> February 2026**

The London Borough of Havering is organising a Parent/Carer & Learner Apprenticeship, T Level and Supported Internship Event to provide information about these different pathways post-16.

- T Levels were launched in 2020 and are technical-based qualifications backed by the Government and developed in collaboration with employers and businesses.
- An apprenticeship is a paid job where you are employed to do a real job while studying for a formal qualification.
- Supported internship is a structured, work-based study programme for 16 to 24-year-olds with SEND, who have an education, health and care (EHC) plan.

The aim of the event is to give young people and their parents/carers the opportunity to visit stalls to access detailed information, advice and guidance about these three different career pathways.

The event has two event time slots to help suit you, 5:00pm - 6:15pm and 6:15pm - 7:30pm (**last entry at 7pm**) and will be held at: **New City College, Construction & Engineering Campus, New Road, Rainham, RM13 8GP**

**Anyone wishing to attend must get a free ticket from Eventbrite, please click the link below to register:**

This year, we are also offering a 15-minute presentation at the beginning of each time slot, (5.15pm & 6.30pm) providing basic information on Apprenticeships, T Levels and Supported Internships, along with guidance on how to make the most of the event. Spaces for these presentations are limited and will be allocated on a first-come, first-served basis. **A copy of the presentation will be circulated to all attendees after the event.**

Parking is available at New City College, and the campus is easily accessible by public transport.
