

Emerson Park Academy

9th September 2026

Dear Parents and Carers,

Please find attached the latest Ofsted Inspection report for Emerson Park Academy. The inspection took place in June 2026.

It is important to share elements of the new grading system in order to fully understand the findings. The Department for Education and Ofsted share the following guidance -

*The '**expected standard**' is just that – it means the school or other provider is doing everything that it should be doing, so you'll see the green colour coding on the report card. It's a **high standard**, to make sure your children are receiving everything they need and deserve.*

We are obviously pleased to be seen as reaching a standard where Ofsted believe your children are getting the education they deserve but will now seek new ways to develop the school further.

We have had a really good start to the new academic year and look forward to further success in 2026-27.

Yours sincerely,

Scott McGuinness
